

BIRTH ANNOUNCEMENT FORM

This form should be filled in and in possession of the Raad van Beheer within 10 days after the birth of the litter

Breeder's code: _____
(provided by RvB)

Mating / Litter number: _____
(provided by RvB)

Birth date of litter: _____

The bitch whelped ___ **males** and ___ **females**

Breeder (owner of the bitch, name and address):

Breed:
Member of the breed Association (name):

Male owner (name and address):

DNA collected for male with litter: YES/NO

Male:

Female:

Fill in first the males, then the females:

Name of the pup without the kennel name	Sex
	Male / female*
	Male / female*
	Male / female*
	Male / female*
	Male / female*
	Male / female*
	Male / female*

(* Leave blank what's not applicable)

Notice! Don't forget to fill in the date of birth and the amount of males and females.

With the pups, you only have to fill in the sex.

Formal names can't be changed later on the basis of the Kynological Bylaws of the Raad van Beheer (The Dutch Kennel Club).

When chipping identification is done for the pups, the mother dog should be present and the original pedigree and owner registration form should be showed to the veterinarian.

When this form is **not in our possession** within 10 days after the birth of the litter, the delivery of the pedigrees can be delayed. We also are forced to charge € 20,00 for extra administration costs.
