Bij signing this paper both parties accept the jurisdiction of the Raad van Beheer and the action of the kynological bylaws.

Supplementary Provisions: When the new owner is not a residence of the Netherlands there will be made an export pedigree automatically. When a logbook is requested, they will be registered on the new owner. The new owner will receive the invoice. After processing the application form the owner will receive the registration form without any costs.

Further regulation about the application form you can find on www.raadvanbeheer.nl

This registration certificate should be sent within one week after the change of owners or change of address to Raad van Beheer op Kynologisch gebied, Postbus 75901, 1070 AX Amsterdam. Tel: +31 20 6644471.

(For additional provisions, see the other side)

By signing this form the signatories declare to notice the kynological bylaws and are in title to do this declaration.

They also declare to know and respect:

1. Implementing rules
2. The statutes
3. The kynological bylaws
4. The general terms of delivery
5. The bylaws of the association Raad van Beheer op kynologisch Gebied in Nederland.

The current texts of this above mentioned items can be read on www.raadvanbeheer.nl

New Owner

When there is a change of owner, the information of the new owner should be filled in completely and the new owner should also sign the document.

The new owner takes care of the original and complete filled in and signed registration declaration within 7 days after the change of ownership will be sent to the Raad van Beheer. After paying the due administration costs, as mentioned in the 'tarievenbesluit', the registration will take place.

The new owner receives a new registration certificate with the new data. This new registration certificate should be used with a new change of ownership. The registration certificate is inseparable with the pedigree. When the ownership change, both should be given to the new owner.

Change of address current owner

When there is no change of ownership, but a change of the address, then you should fill in the new address. The owner sends, after signing, the original for processing to the Raad van Beheer. After processing, the owner receives a new registration certificate with the new address. The costs that are connected with this is written in the tarievenbesluit (rates decision)
